

# Sex Positive Me

## Yes / No / Maybe List

Print one of these forms per partner. Complete them separately.

For each item, answer if you have experience, then yes, no or maybe if you want to experience this item. In the note's column, write any conditions or limitations. Once complete, review the forms together. Discuss the commonalities and the differences.

Remember, don't yuck on anyone else's yum. Also, any activities you are participating in should have the affirmative consent of all parties involved.
